UDC MEETING

The Appomattox Chapter of the United Daughters of the Confederacy will meet on Thursday evening, June 15, at "Congress Hill," the home of Mrs. T. M. Goldsby.

TO THE CITIZENS OF THE TOWN OF APPOMATTOX

Let me take this opportunity to again thank all of you fine people for your fine spirit of cooperation and the loyal support which you have given your Mayor, members of the Town Council, your Town Manager and all of the Town Employees during the past two years, it has been impossible to meet all of the requests of you good citizens, but I would like to say that, as far as I know everyproblem that has been brought before the Council has been given due consideration and your Council members have worked most diligently to find a just and equitable answer to every problem that has faced them.

During the past month there has been considerable activity concerning the Town Election to be held on Tuesday, June 13, at which time the citizens will elect a Mayor and six Councilmen to take office Sept. 1st., 1961.

In order for you to make your decision, I feel that everyone would like to know something concerning the work and accomplishments of the present administration.

In Sept., 1959, during one of the very first Council meetings, I suggested that the Ordinance Committee make a very special effort to see that the "Code of The Town of Appomattox" originally adopted in 1926, was brought up to date. After the meeting, this problem was turned over to this committee, with Mrs. Calvin Robinson as the chairman, and serving with her were S. R. Lawson and H. E. Pack. The committee made a most thorough investigation of the best and most economical way to accomplish this purpose and made a decision to have Judge Chas. F. P. Crawley and the Town Manager to work with them and remodel the entire Code. These people have worked near diligently toward this end, and at last have the Code ready for final passage. The hard work and efforts of these people have saved the Town approximately thirty-five hundred dollars. I take off my hat to them for a job well done.

In Sept. of 1959, Ivey Holland, S. R. Lawson and T. R. Gilbert were appointed on "The Account and Finance Committee," with Ivey Holland as the chairman. This committee has performed an excellent job of preparing for adoption the budget and seeing that the finances of the Town stay in "the black." I am very proud of the fact that the Town has been able to pay all current bills, operate within the budget and build a financial cushion for future problems which may arrive. This has taken place without any tax increases. These people should be congratulated for the efficient way they have handled your money.

One of the hardest working committees was the "Street and Light" Committee, which was also appointed in Sept. of 1959. S. R. Lawson was appointed chairman of this committee. Other members are Mrs. Calvin Robinson and J. T. Almond.

One of the first recommendations of this committee was removal of all "parking meters" and proper installation of parking signs. I again salute these people for the courteous way in which they have solved the very great majority of the parking problems in the Town of Appomattox. It was at the suggestion of this committee that proper and appropriate street signs be erected on every developed street in the corporate limits of the Town.

It is my firm and sincere belief that this committee had an average of three requests or suggestions at every regular meeting and as far as I know, each and every problem was handled in a very courteous, prompt and efficient manner.

It is a well-known fact to all of us, this day and time, that in order for a town to be progressive it has to reach out and try to develop new industry, thereby creating new jobs for our youth of today and citizens of tomorrow.

During the past six months, each and every member of your Town Council has been most mindful of this fact and they have exerted their utmost efforts to this end. It is my very sincere belief that if the present prospects which are at hand, continue to get cooperation and assistance in the future as they have in the past that not too long Appomattox will be blessed with at least two new industries which will oer new employment for approximately one hundred and fifty men.

It is your duty and my duty, your obligation and my obligation to see that men and women are elected to the public offices in the Town of Appomattox who are conscientious, sincere, courteous, and dedicated to work toward a more stable economic condition of our beloved community and county.

Your counsel and advise on all public matters is welcomed at all times.

Sincerely: C. T. Moses, Jr.,
Mayor, Town of Appomattox.

Play safe — drive carefully.
